

**“Currant Genetics for Current Times”**

**WEDNESDAY, JANUARY 28, 2026**

**55 ANGUS BULLS 25 HEIFER CALVES**

The Eliasson family wishes to present our 2026 sale offering and invite you to participate in person or online on January 28, 2026, at the Musselshell County Fairgrounds in Roundup. We are humbled by our customer support and are excited to welcome any new lookers.

This year has presented many challenges of health and weather but as most residents of this part of the world and industry, we will persevere with record markets and new political winds. There is a lot to be thankful for and look to a bright future. We are especially blessed with great friends, customers, and family. This last year or two has certainly made us realize just how important these people are and what priorities are. We had another addition to the family on May 4 as Tyler & Rebecca welcomed Samuel Thomas to their family. Our grandkids are definitely a highlight of our lives and we are very proud of their accomplishments in school, FFA, and the gym floor, but mostly being kind in life. Lots of bleacher time ahead of us, I am sure.

We strive for a type of animal that will excel in any environment, and we continue with our philosophy of breeding for balanced traits. Our cowherd is run the same as most ranches in Eastern Montana. They are cared for but never pampered. They must carve out a living in big country and use their own instincts to thrive and produce a live calf. I know that these traits are nearly impossible to measure but can only be developed with longevity and usefulness in mind. We once again welcome our long time friend and bull partner, Sioux Pass Angus with some age advantage bulls. All treatment of bulls is the same. The cattle are up to date on vaccinations and the bulls will be wintered at the ranch and a complete breeding soundness exam given next spring with a full guarantee.

The bulls are available to be viewed at our South Willow Creek Ranch 8 miles North of Roundup until the 26<sup>th</sup>. Videos will be available on Frontier Live Sale as well as online bidding should you be unable to attend in person.

Hope to see you in Roundup on the 28<sup>th</sup> for the "Cattlemen's Roundup". For any questions, we can be reached at the phone numbers listed in the book. We would love to visit about the cattle.

Sincerely,

**Gary & Phyllis Eliasson  
and Family**

# Currant Creek Angus Ranch Bull Sale

#### Terms & Conditions:

The cattle sell under the standard terms and conditions as recommended by the American Angus Association.

Terms of sale are cash. Announcements from the block take precedence over information in this catalog.

#### Pre-Sale Viewing of Cattle:

The bulls are available to view prior to sale date 8 miles North or Roundup. Call to schedule a time.

#### Health:

Interstate health papers will be provided on all cattle selling.

#### Breeding Guarantee:

All bulls selling for \$2500 or more will be covered 50% by Currant Creek Angus if they are injured during their first breeding season. Breeding season is defined as the 90 day period following the first turnout of bulls.

50% of the value of the injured bull will be given as credit in a future Currant Creek Angus sale or toward a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1, 2026.

#### EPDs

EPDs are updated weekly. View current EPDs at [www.Angus.org](http://www.Angus.org).

#### Retained Interest:

We will retain 1/3 semen interest on all bulls sold. Buyer receives full salvage value and full possession.

#### Delivery:

Free bull delivery with 250 miles. Females may be picked up at ranch or we will deliver at cost.
